Vamos colorir as imagens destes importantes seres vivos,
recortá-las e completar a história da cadeia alimentar?

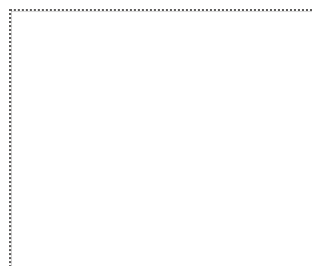

CONTANDO HISTÓRIAS DA CADEIA ALIMENTAR

O

brilhava no céu e a

crescia bem

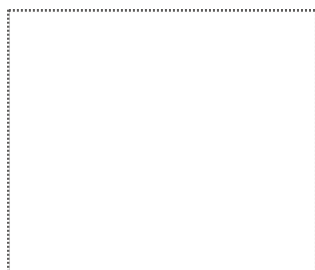

devagarinho. De repente, o

que passava por ali fez

dela o seu lanchinho. Descansando no chão, ele nem notou quando

o

o devorou como refeição. A

, bem

quietinha, chegou rastejando e, ali mesmo, acabou se alimentando.

Lá do alto, assistindo a tudo isso, o

, que já preparava

o seu ataque, aproveitou o momento e ... **NHAC!!!**
